Three Succumb Suddenly In Unrelated Incidents

A local woman collapsed Friday morning at St. Agnes Church and was pronounced dead upon arrival at Symmes Hospital.

Receiving a call from Father Linehan, the police ambulance was rushed to the church. He moved from the lower church was the body of Mrs. Lillian M. Walsh, 62, of 44 Warren st.

Mrs. Catherine Sonnenberg of West Somerville, a daughter, was notified.

Man Dies At Wheel

A driver was removed from behind the steering wheel of his car Monday morning and taken in the police ambulance to Symmes. He was pronounced dead on arrival.

He was Arthur B. Orton, 61, of 43 Walnut st.

Police say that while proceeding along the Avenue toward Boston near Bartlett ave. his

Buick sedan struck the rear end of a car operated by Henry Fick, 11 Endicott rd. Fick had stopped for traffic lights, it is said.

Evidently the stricken man was able to slow down or was driving slowly because damage was not extensive as the result of the collision.

When police arrived on the scene the man was either unconscious or dead and had to be extracted from behind the wheel.

Found In Home

Twenty minutes later police were called by a woman on Broadway who requested they go to 48-r Broadway, as she believed the man living there dead.

Dr. Titelbaum was summoned and pronounced Alfred Croshere, 70, dead.

A son, living in Montreal, was notified. The body was removed to the O'Brien Funeral Home.

METER MONEY IN BIG DECLINE

Proceeds from parking meters here have declined sharply.

This fact is revealed in figures obtained from Town Treasurer J. Wilbert Anderson this week.

The figures:

42—\$21,000*	50—\$17,069
49—\$19,050	51—\$16,550

*Actually in effect only six months with proceeds of \$10,650.

The drop in 1950 is attributed somewhat to a large amount of construction on Mass. ave.

Also in the last months of 1950 and entire 1951, the free municipal parking lot was in operation.

Its effect is considerable: if one assumes that as few as ten cars per hour use the lot rather than meters, the loss in an eight-hour day would be \$4.00 per day, \$100 per month, or \$1200 per year.

Too, according to Anderson, people are "learning to come equipped with pennies. Far fewer nickels are gathered in now."

Pictured at dedication of the new Elks Lodge are (front, l. to r.) Salvatore L. Cannistraro, chairman; Richard D. Armstrong, District Deputy G.E.R.; Daniel L. Murphy, Grand Esquire (Reverse); rear—Judge Edward J. Devere; Charles Schultz, Exalted Ruler of local lodge; James Brooks, committee secretary.

ELKS DEDICATE NEW QUARTERS

On Sunday afternoon Arlington Lodge No. 1435, B.P.O.E., officially dedicated its new home on Pond Lane, the building formerly known as "Ye Lantern."

The renovated quarters were given a stamp of approval and commendation by many Brothers from visiting lodges.

Dedicating officer was Richard D. Armstrong, district deputy Grand Exalted Ruler, with his suite of officers from the Reverend Lodge, 1171.

After opening remarks by Salvatore L. Cannistraro, P.E.R., chairman, an impressive ceremony of Erection of the Altar followed. George E. Ryan, P.E.R., chairman of the building committee, presented the keys to the district deputy who turned them over to the local Lodge trustees, of which William Houser, P.E.R., is chairman. Exalted Ruler Charles Schultz presided.

The ovation was given by Hon. John E. Fenton, past president of the State Association. Brother Fenton congratulated the local lodge on its foresight and careful planning and followed with a powerful talk on the import of Elkdom.

Representing Gov. Paul A. Devere was Wilfred J. Paquet who spoke and brought greetings "From Brother Devere."

Other invited guests present were Edward J. Cronin, Secretary of the Commonwealth; Judge Edward J. Devere of the Third Middlesex Superior Court; Selectmen Marcus L. Sorensen and Walter T. Kenney; Town Clerk James J. Golden.

Officers of Lodge 1435 include Charles Schultz, Exalted Ruler; Everett E. Fitzpatrick, Esteemed Leading Knight; George E. Fitzgibbon, Esteemed Loyal Knight; Carl F. Allen, Esteemed Lecturing Knight; Edward M. Cartullo, P.E.R. secretary; Ernest L. Parsons, treasurer; Augustine Doyle, tiller.

Chairman Cannistraro's dedication committee include James E. Brooks, secretary; Charles Schultz, E.R.; Everett Fitzpatrick, E.L.K.; George Fitzgibbon, E.L.K.; Carl Allen, E.L.K.; Edward Cartullo, P.E.R.; George Ryan, P.E.R.; William Houser, P.E.R.; John Spadaro, Anthony Oteri, Frank Doherty, Mario Cappello, James Wilson, Patrick Campobasso, John Todisco, Henry Toczykowski, Sidney Lipton and Ralph E. O'Neill.

Next month the Lodge will observe its 30th anniversary.

Local Town Manager Bill Aired At State Hearing

Annulment Granted One-Day Marriage

Special to Advocate by GNS

An eighteen-year-old local girl was granted an annulment of her marriage Tuesday by Judge Frederick V. McMenamin in Middlesex Probate court.

The petitioner, Mrs. Barbara Ann Robertson, daughter of Mr. Ann Robertson, daughter of Mr. Milton st., told the judge that her marriage with Charles E. Robertson, 42, of Mattick, was never consummated.

She said that she had known Robertson for a few years and that on Oct. 6, 1951, they were married at Seabrook, N. H. After the ceremony there was no honeymoon, she said, but that they returned to Natick, to the home of her parents. She returned to her home that same day as a loveless bride.

Her father said that he was unaware of any marriage until his daughter told him.

Dye Works Robbers Are Sentenced

Special to Advocate by GNS

Two men were sentenced by Judge Frank J. Donahue in Middlesex Superior court Tuesday for theft of about 30 suits from the Arlington Dye Works last July 13. Both pleaded guilty.

James J. Duffy, 31, of 197 Highland ave., Somerville, was given 3 to 5 years in State prison. He had a previous record, police said.

Alfred A. Barth Jr., of Cambridge was sentenced to 5 years and a day at Concord reformatory. The judge then suspended the sentence and placed Barth on probation for 3 years. He had no previous record.

Lt. James Flynn, Inspector Hourihan and Fitzgibbons appeared for the town.

Prominent townspeople appeared before the Joint Committee on Towns Tuesday afternoon at the State House and spoke in favor of Senate Bill No. 456 — town manager act for Arlington.

James C. Doyle, chairman of the manager committee, asked for the attachment of an emergency preamble to make it immediately effective on passage by the General Court so that the Bill might be placed before the Town in March by referendum.

He pointed out the changes made in the bill by his committee after conference with Francis X. Lang, state director of Division of Accounts, and Frederick B. Willis, House counsel.

The most significant one is a new section which allows the Act to be amended after a two-thirds vote of the Town Meeting and a majority vote by referendum. This "avoids recourse to the General Court if and when revisions should be felt desirable.

Speaking for the bill were, besides Doyle, Martin F. Roach, Roscoe O. Elliott, John O. Parker, Jr. Howard Hayes, Hallam T. Ring, Rep. Hollis M. Gott and Senator Robert P. Campbell.

On record as opposed were Edward Sennott and Joseph S. Vaher.

Rep. Henry E. Keenan, a member of the Joint Committee, stated he thought action should not be too hasty; that the changes, being major, should be studied.

It is expected that the Joint Committee will make its report known in about 10 days.

KOREAN HERO LAID TO REST

Military funeral services for Staff Sergeant Garrett J. Coyne, 22, son of Mr. and Mrs. John J. Coyne of 82 Newport st. were held last week with a solemn high mass of requiem at 9 o'clock at St. Agnes Church. The Rev. Oscar O'Gorman was celebrant, assisted by the Rev. John Linehan, deacon, and Rev. Edward Kenealy, sub-deacon.

A beautiful hymn composed and dedicated to the Armed Forces was sung by Joseph J. Barry, Legionnaire, composer.

Flags of the Town were all at half mast. The body was escorted from the D. W. Grannan Funeral Home where it laid in state.

At Mt. Pleasant Cemetery, Arlington, committal rites were conducted by an army firing squad and honor guard of the American Legion, No. 39 American Legion. Many Town officials attended the services.

Staff Sgt. Coyne, a paratrooper with the 187th Airborne Regimental Combat Team was killed in action in Korea on Feb. 4, 1951. He left Boston University in his freshman year to enlist in the paratroopers in July 1948.

He was a former star athlete at Mt. St. Charles Academy, Woonsocket, R. I., where he captained the hockey team and also played on the football and basketball teams. While at school he was Rhode Island all-state hockey player.

Mr. and Mrs. Coyne have received the Bronze Star and Purple Heart which had been awarded posthumously to their son.

Besides his parents, Sgt. Coyne leaves a brother, Lt. Col. Raymond G. Coyne, USMC Paratrooper, S. C., and three sisters, Mrs. Walter Burke of Arlington, Mrs. Patrick J. Lynch of Wilmington, Del., and Mrs. Robert J. McGraw, Lima, Ohio.

Feast of Lights

The annual Feast of Lights Pageant will be presented again in St. John's Episcopal Church on Sunday evening, Jan. 13 at 7:30 p.m. at a service of evening prayer.

The pageant will be presented by the Young People's Fellowship and is especially appropriate for Epiphany season. The spreading of the Light of the Gospel of Christ throughout the world is the theme of the pageant.

Down Waltham, 45-36

Arlington High's basketball team won two victories this past week.

The one on Tuesday was particularly sweet—the first victory in four or five years over Waltham on the Watchmakers' own court. Kenney hooped 12 points, Power 11, and Canty 9. The locals won, 45-36.

Waltham had trouble finding the basket on free throws.

Last Friday the A. H. S. downed Cambridge, 53 to 44 in another Suburban League game. The entire team scored well, with Kenney at 14, Canty 13, Bertolami 12, Power 8, DeRosas 6.

Marine Describes Chinese Tactics

Lt. Col. Raymond V. Fridrich of the U. S. Marines told his audience Tuesday night at Legion hall that the Chinese Communist soldier was "well disciplined but poorly equipped and lacked intelligence." Col. Fridrich fought in Korea for eleven months.

"The Chinese are less tenacious than the Koreans or than the Japs during World War II. Because they are poorly equipped they must fight at night."

The general method of attack, he explained, is to first expose themselves to draw U. N. fire, then try to wipe out the automatic gun emplacements with suicidal hand grenade attack and, finally, go into their "grasshopper" attack. "Losses are appalling," he said.

Lt. Col. Fridrich described the bitter retreat from Chosin Reservoir to Hangan in November and December of 1950.

In typical Marine language he said, "We weren't retreating—just fighting in another direction."

"With our marvelous air, tank, artillery support, a hundred Marines can still take a hill," he declared.

Citations Awarded

The occasion was an open meeting of Post 39, American Legion, when Citation Awards were given out for the Crusade for Freedom, sponsored by the Post under the chairmanship of John Henry Shea. A film showing the "retreat" followed the Colonel's talk. Commander Robert Bennett presided.

TO HOLD BENEFIT

On Tuesday night at the Town Hall, the Boys' Club Associates, Inc., newly-formed organization of Arlington men whose big interest is the Boys' Club and its members, will hold its first big public function, a card party at 8:00 p.m.

"Prizes will be given at every table," stated David Busfield, general chairman of the affair, "and we expect some 400 Arlington men and women to attend. Players may attend singly, in couples, or complete with partners and opponents, but all are assured of a good time. It's a chance to meet all of your friends at once."

The card party is to raise funds for support of the work of the Boys' Club. The money will be used for such things as improving the club, providing funds for special club projects, and otherwise aiding the boys who will be tomorrow's voters and businessmen.

The Associates includes in its membership many of the town's leading citizens.

In addition to table prizes which will be awarded, it is expected that novelties will be given and larger prizes will be drawn. Arlington merchants are contributing generously from their shelves to aid the fund-raising project. Many wives have promised home-made cookies.

Altar To Elks Lodge

President Minnie Cannistraro, on behalf of her fellow officers and members of Arlington Emblem Club, presented to Charles Schultz, Exalted Ruler, B.P.O.E. No. 1435, an altar plaque and flag, to be used in the new Elks' home.

Presentation was made at a pre-dedication dance held by the Elks last Saturday.

FLASH — Albert M. Hutchinson, 24, son of Mr. and Mrs. Jesse Hutchinson, died suddenly at Symmes this morning.

A BILL to eliminate the R.R. crossing in Arlington Center has been filed by Rep Henry E. Keenan.

Holy Name Plans Annual Sports Night

The annual Sports Night of St. Agnes' Holy Name Society will be held on Friday evening, Jan. 25 in the school auditorium. An interesting evening is promised.

The master of ceremonies will be Tom Dowd, traveling secretary of the Red Sox. His reputation as a sports raconteur is recognized in all fields of sports. In addition to his Red Sox duties, he is also an outstanding professional football official.

Eddie Pelligrini, former Red Sox and Phillies infielder, will tell how it feels to play on a World Series team. Mike Holovak, coach at Boston College, will show the pictures of the recent B.C.-H.C. game and provide some interesting sidelights.

Supporting him will be two local boys, members of this year's squad—Jack Doran and Henry O'Brien.

Holy Cross will be represented by Mel Massucco and Chuck Mayoy, outstanding members of the Purple squad.

A cordial invitation is extended to all the men of the parish to attend.

Tickets may be obtained from members, who will call at your home, or at the school hall.

QUOTATION FOR THE WEEK

"With me religion is a very simple thing. It means to try with all my heart and soul and strength and mind to do the will of God."

—Madame Chiang Kai-Shek

chosen by the Rev. John A. Heidt, minister of the Pleasant Street Congregational Church.

ENLIGHTEN US, PLEASE

For the past several weeks the Town Employee's Association has had under consideration the matter of unionization. A union representative has outlined his ideas as to the advantages and, we have been informed, a fairly large group of the members favor union affiliation.

At last reports, it was said the Association voted to "table" the matter.

As we understand it, the sole difficulty is — and you have guessed it — the matter of take home pay because of rising cost of living.

Last year the Town Meeting voted the so-called "St. Paul Plan" by which employees receive a three per cent boost for every five-point rise in the cost of living, from the index compiled by the Massachusetts Department of Labor.

Under the plan, the employees have received one increase in August when the index rose from 167.1 in March to 172.5 for July. Since that time the index has risen but never has reached the next 5-point level.

Now it is quite true that a certain hardship exists as prices rise because of the "lag" but this is offset by the converse when prices fall — and they certainly will.

Enlighten us then, please. Exactly what is the grievance? Is it that the "St. Paul Plan" which we had hoped would prevent annual wage wrangles is no good? Is it that other communities pay their employees more? Are the "classifications" which we have juggled about for two years still all wrong?

Enlighten us, please.

WHAT IS THERE TO DO?

Our recollection of our school days (about a hundred years ago!) is that the winter months, and particularly the early spring, were ones of boredom. Often times there seemed little to do.

When time hangs heavy any suggested activity becomes welcome. Unfortunately, what is thought of is apt to be devilment of some sort.

In this issue, elsewhere in the paper, is a list of worthwhile and constructive activities for both youth and adult. Even though lengthy, the list is undoubtedly incomplete and we will be glad to add to it if the omissions are called to our attention.

We hope that the list will prove helpful, particularly to parents who, in turn, can help solve the problem when youth asks "What is there to do?"

TODAY is the anniversary of the organization of the League of Nations in 1920.

TO THE FINANCE COMMITTEE

It's January and your travail has begun. We hope you get better support on the Town Meeting floor in '52. We still think member-spokesmen-specialists in each phase of your study would be an advantage, rather than one man carrying the load.

That Mr. Carnegie was thoroughly in earnest in his offer of \$10,000,000 to found an institution to promote science, literature and art, is evidenced by his forming of a corporation for that purpose, after it was found that the government itself could not properly carry it on.

That Man About Town

By MAT

TIME magazine for January 7th presents on page 57 an illustration worthy of note by Arlingtonians. Back in 1940 Grant Wood translated his famed "Midnight Ride of Paul Revere" into a fabric pattern. In 1951 it was printed. By mid-March you can buy it for curtains, bedspreads and slip covers.

The illustration we mention, to us, shows clearly the church at the corner of Massachusetts Ave. and Pleasant St., and as if from a plane. Paul Revere and his horse, in the illustration, are running the wrong way.

A Sunday article in the Herald noted that the county in which we reside, Middlesex County, is debt free. This, at least, is something on the side of the taxpayers and the officials responsible are to be congratulated.

During last Saturday's snow and sleet storm, we noted two trucks, hired by the Town, running their plows up and down Massachusetts Avenue. This, in itself, would be alright except that the amount of snow removed was negligible. Other plows had been there before. At the same time, many side streets had not even been touched and residents were bottled in. It seems to us that some active supervision would eliminate this type of waste effort, which spends taxpayers' money uselessly. Someone in charge should see that when a street is plowed, the plow moves to other fields of endeavor. We realize that the main arteries come first but when the fall is plowed over to the sides there is no need, at the time, to replot.

Truck Slips Off Blocks

Two men were injured at 2:10 a.m. Friday morning when an oil truck on which they were working slipped off its blocks.

The service truck was sent to 123 Hibbert St. and it was found that John D'Errico of 112 Rublee St. had received an injury to his right knee. Joseph D'Errico of Hibbert St. complained of slight injuries.

Both were attended by Dr. Dowd.

The truck is a Ford, owned by the Maple Leaf Oil Co.

TODAY'S Meditation

WEEK OF PRAYER

Be constant in prayer. (Romans 12:12, R.S.V.) Read Romans 12:10-21.

Be constant in prayer, "continuing instant in prayer," "earnest and persistent in prayer," "attend to prayer," "always applying strength in prayer."—all these are efforts to translate Paul's phrase from his letter to the Romans. But the best way for one to translate a Bible verse is to translate it into action. The best way to pray is actually to want what we pray for.

Sometimes when we are just saying prayers, God says, "I cannot hear you. Send me a prayer from your heart. Then I can hear, and answer." Even to pray, "Thy will be done in earth, as it is in heaven," when we do not try daily to do His will in our home life, in our business activities, or in our recreation, is to pray thoughtlessly and in an unholy spirit.

God answers prayer. He may answer yes or no. He may give or withhold in His great wisdom, but He answers prayer.

PRAYER

Father, help us to realize today what a wonderful power Thou hast placed in our hands in giving us the privilege of prayer. May we not miss our great opportunity to speak to Thee and to listen to Thee. For Jesus' sake. Amen.

THOUGHT FOR THE DAY

Since I want my prayers to be acceptable in God's sight, I shall pray from my heart.

CAN'T BUILD ELECTRIC PLANTS FOR PEANUTS!

Building dozens of new units to produce electricity more economically—to help hold rates down—is an expensive job. For example, the post-war expansion program of the business-managed companies supplying New England's electric power already runs to more than a HALF BILLION DOLLARS.

Now, as you know, electric companies are not permitted to earn enough to pay for new construction on this scale out of their own pockets. Neither do they dip into the taxpayers' pockets via Federal subsidies.

Then where does the money come from? It comes from the savings of millions of thrifty people who realize the vital part electricity plays in New England's prosperity. As long as the electric companies earn a fair return on plant investment, prudent citizens will always be ready to help finance necessary expansion.

NEW YEAR RESOLUTIONS

PLANNING BOARD —

Suggest a new street from Medford, along present Park ter. and Winslow st. to Water st. Right and left turns allowed from Water st. onto Avenue. No left turns from Pleasant st. to Heights. Traffic coming from Winchester enters Winslow st. Medford and Mystic streets to be one-way from Avenue.

SELECTMEN, SENATOR AND REPRESENTATIVES —

Suggest trackless trolleys and buses. The Town has paid enough MTA deficits to own many buses.

To "check" with Alewife brook. Let's spend our money to better use in Arlington.

BOARD OF PUBLIC WORKS —

Cleaner snow removal. Better and more sanding.

FIRE DEPARTMENT —

Do not allow the personnel to change from work clothes to uniforms until tour of duty is ended; not at 7:15 a.m. The men may be called to a serious fire at that hour. Town has to pay for ruined uniforms.

POLICE DEPARTMENT AND SELECTMEN —

Two men in a cruising car. (We would not have had two shootings.)

Take away those safety (?) islands at Lake st. They are CEMENT KILLERS.

No more officers of rank; we've got enough.

More one-way streets. With cars parked on both sides fire fighting equipment cannot get through.

No parking on right side of Park ave. from Mass. ave.

Roving patrolmen needed to stop double parking at all times.

Make Mill st. one-way during snow storms. (Where were the officers of rank during New Year's week-end?)

If we have signs of any description, let's enforce all of them.

Let ALL members of the Department speak to each other.

TO ALL DEPARTMENTS —

Solemn Ceremony Marks Den 86 Meeting

Parents of Cub Scout Pack 86 attended the first meeting of the New Year on Jan. 4, at the Peirce School. They observed the display of Cub Scout handicraft and the enthusiasm of the boys during the evening.

A program of entertainment was offered by several of the dens. Mrs. Price's Den 4 had Billy Collins do a cornet solo. Mrs. Rice's Den 5 lined up and with combs hummed "Silent Night". Mrs. LeBel's Den 7 sang a group of songs accompanied on the piano by Cub Scout Tommy Ray.

Following these acts, several songs were sung by all those present. There was much gusto and volume as Cub Scouts competed against parents and friends.

After the song-fest, William Suttie, former Cub Master, organized a competitive "musical chairs" game between dens. The winner from each Den competed in a finale, with Cub Scout Richard Anderson of Den 7 winning. This entitled him to keep the banner in his den for the next month. Mrs. Hutchinson was piano accompanist for this game and other numbers during the evening.

An interesting ceremony closed the affair. The Cub Scouts formed a circle with hands clasped crossed arms. Inside this circle the parents and friends formed a smaller similar ring. The boys sang a "good-night" song. In the pause that followed, Mr. Suttie gave an impressive explanation of just what the American Flag and their earlier singing of "The Star Spangled Banner" meant.

"Taps" was blown by Bill Doherty of Troop 7 for the conclusion.

Mr. Suttie's efforts, together

Parents Take Advantage Of Aptitude Tests

According to surveys made this fall at the Arlington Academy of Music, parents of today are becoming more aware of their responsibilities as far as Junior's music lessons are concerned.

The requests for the junior aptitude tests given at this accredited music school would seem to indicate that music study of some kind is included in most every child's program.

Frank E. Ward, Dean of the Academy, in spite of the school's prestige and popularity among the adult musicians, has never ceased his efforts in developing the junior curriculum to the highest.

An unusual opportunity for expert instruction in every field of music is available at the Academy. The faculty consists of more than twenty-five distinguished musicians including leading soloists and experts in all phases of music education.

Junior music instruction includes private and class lessons on all instruments, voice, theory and ear training.

Ensemble work and monthly recitals give further opportunity to those qualifying.

JOHN N. LOUD, 28 Draper ave., has been appointed Finance Committee member from Prec. 9. He succeeds Charles Armitage, resigned, former vice chairman.

Short Saga of Captain Video

This is the sort of thing that is always happening to persons who oppose the doughty Captain V., on DuMont's daytime video thriller, "Captain Video." The weapons employed by space thugs and their molls are nearly always a trifle unexpected, but Captain Video generally manages to turn the tables, for example of which, please see above. However, certain aspects of inter-planetary crime seem familiar to earthlings... The villains are still sneering, the girl still beautiful!

Most familiar cry from youngsters viewing Captain Video in dire straits is: "Don't worry, Mommy, Captain Video will get away!" Parents reporting this say so far Junior has never been proved wrong.

SAMARITAN CIRCLE

The Good Samaritan Circle of Kings Daughters and Sons held a Christmas meeting on Dec. 28.

A musical program was enjoyed as well as exchange of gifts. Refreshments were served by Alice Forbes and Gertrude Buckler, co-hostesses.

Mr. and Mrs. Rodman L. Dickie of 51 Ronald rd., announce the engagement of their daughter, Ruth Marilyn, to Robert Dana Miller of 43 Old Middlesex rd., Belmont, son of Mrs. Joseph Miller and the late Mr. Joseph Miller.

Miss Dickie is a graduate of the Mt. Auburn School of Nursing while Mr. Miller is with the Home Savings Bank of Boston. A Spring wedding is planned.

The name of Miss Ann Crosby, daughter of Mr. and Mrs. John S. Crosby, 246 Mystic st., appears on the "high honor" list of Green Mountain Junior College.

By Elise Watson

IN Great Grandmother's day, a bride was restricted to a single set of dinnerware that cost a great deal of money and included pieces she never used. You, lucky girl, may choose yours from a range of shapes, sizes and patterns that would have made Grandmother's head spin, and best of all—priced to suit any budget!

Your method of buying may be as flexible as your personal tastes, but these few hints should help make your choice more successful.

A preferred way to purchase is by the "place setting," but some brides acquire their china in two or more harmonizing patterns. Mixing patterns adds variety and interest to your table settings.

Try to choose an open stock pattern. Once you've decided on your pattern, examine every piece to be sure you like its shape and size. Test the cup handle for its feel and balance, check all lids for snugness and be sure that the tea cup fits its saucer well.

Plan carefully and have a definite idea of what you want your china to do for your home, and you can be certain of setting a distinguished table.

VERSATILE MEAT IS SPARE-RIBS: Barbecued Spareribs lend themselves to any kind of entertaining scheme. Fun to heap in platters for finger service from a buffet, they are also good for table service. Gay and appetizing with their crisp, brown color, they make a meal accompanied by such simple fare as Scalloped Potatoes and a good green salad with French Dressing.

Oppose Streets
At hearings on streets Tuesday night before the Joint Board, citizens turned out in force to oppose on grounds of high cost.
Under consideration were Hospital rd., Crosby st. (Columbia to Ridge), Hillside ave. (Rhinecliff to church property), Sunset rd. (Summer to Forest).
At least 40 residents opposed looping Hospital rd. around Symmes Hospital to Millett st. The plan was suggested as a safety measure since there is now only one entering way to Symmes on its lofty height.
The Board voted not to recommend any of the streets for construction because of opposition.
